

diviNoix

BY POLLESSENCE

diviNoix

is a handcrafted confectionery covered in chocolate, inspired by the French Provençal tradition of the 13 desserts.

Each nutritious bite is bursting with Mediterranean flavor and natural sweetness.

13 DESSERTS FROM PROVENCE

The 13 desserts tradition is all about sharing and celebrating abundance, hospitality and joy. It isn't just about the food: it's about gathering with loved ones to enjoy the festive season.

Traditionally, these 13 desserts are presented together on a single platter as a sign of a bountiful harvest. The platter features wholesome products such as dried fruits and nuts, Medjool dates, Agen plums, candied orange zest, pumpkin seeds and more.

We have crafted three different versions of diviNoix, covered with white, milk and black chocolate. Each delightful morsel tells a story and makes for an ideal guilt-free treat to enjoy and share all year round.
